

FW.f – Feed Warranty Declaration

This warranty declaration can only be used for the following feed types and transactions:

Scheme member	Feed type	Who needs to use it
Beef and Lamb, Dairy	Forages (hay, silage)	Merchants (farmers trading these products do not need it)
	Cereals and pulses	Non assured growers (assured growers use the grain passport)
	Fruit, vegetables (including lifted roots)	Assured and non assured growers
	Surplus materials (bought-in by the selling farmer)	Only applicable to feeds genuinely in surplus (i.e. not bought in with the intent of resale)
Pigs, Poultry	Fruit and vegetables not covered by an assurance scheme	Assured and non assured growers
	Surplus materials (bought-in or grown by the selling farmer)	Only applicable to feeds genuinely in surplus (i.e. not bought in with the intent of resale)

This warranty declaration CANNOT be used to cover any feed materials bought with the intent of re-sale. Members operating as such must register as a merchant or compounder and be a member of an appropriate assurance scheme.

By signing this declaration you are agreeing with the following statements:

- This feed is suitable for consumption by livestock and is considered wholesome and free from any known contaminants
- Legal requirements, in particular those of the EC Feed Hygiene Regulation (183/2005) and relevant UK Animal Feed Regulations, have been adhered to in the production and supply of this feed. Specific obligations include:
 - The business is appropriately registered with the Local Authority

- The feed has been stored, handled and transported so that the risk of contamination has been minimised and hygiene standards maintained at a level which is appropriate for materials entering the feed/ food chain
- All requirements relating to record keeping and labelling have been complied with

Feeds other than forages, fruits, vegetables or roots (please tick as applicable)

- Blends & Compounds and other Feed Materials ('straights') – Home-grown; This feed or feed material comprises solely of home-grown ingredients and in the case of home-grown 'straights' (cereals/ pulses) are accompanied by a completed grain passport
- Blends & Compounds and other Feed Materials ('straights') – Purchased; This feed or feed material incorporates purchased feed or feed materials which are surplus to own requirements, though were not purchased with the intent of resale. The purchased feed or feed materials have originated from a certified source (e.g. UFAS/ FEMAS)
