**a) Contractor's Commitment**

It is the responsibility of the RT member to make known to the contractor any special conditions or work practices that are necessary as a consequence of the Red Tractor Assurance for Farms standards or associated protocols (i.e. Fresh Produce Crop Specific Protocols).

In the absence of any such information, the contractor will ensure that all contract work will be undertaken to a reasonable standard given the quality of the equipment and materials supplied by the grower.

In consequence we, the contractors, have read and understood the relevant Red Tractor Assurance for Farms standards and associated protocols and we commit ourselves to abide by the Statutory Requirements and Good Agricultural Practice guidelines detailed therein.

**b) Contractor's required documentation evidence**

When undertaking pesticide applications we will supply to the above member documentary evidence of:

- i. Calibration of pesticide application equipment
- ii. An Emergency Plan for Pesticide Spillage which complies with the requirements of the Red Tractor Assurance for Farms standards and associated protocols
- iii. Pesticide application qualifications for the operators used

**c) Please confirm that *either*:**

**Written instructions have been provided to the contractor by the Red Tractor member (attach a copy) *or***

**A verbal briefing of requirements has been given to the contractor by the Red Tractor member**
