

ST.t.1 Temporary Holding of Grain Records

The holding of grain is only allowed outside of a building in exceptional circumstances and for a maximum of 5 days unless a derogation has been sought from the Certification Body. If a derogation has been obtained from a Certification Body, a copy must be kept alongside this template.

Start date of grain held outside	End date of grain held outside	Length of time grain is held outside	Condition of grain	Exceptional circumstance	Certification Body derogation required?
