**Company Name:**

**Name of owner/ director:**

**Signature:**

**Date:**

In signing the above, this business is committed to ensuring that food safety controls will be implemented and maintained throughout the production process from planing to product release - these controls will be reviewed annually or after major business changes to ensure relevance and effectiveness.

This is achieved by:

1. Compliance and implementation of relevant legislation
2. Implementation of good agricultural, food safety and hygiene practices, whilst also conforming to Red Tractor Fresh Produce Standards V.4
3. Ensuring all staff have undergone the relevant food safety and hygiene training required for their role, and are monitored to ensure it is implemented
