

WEBINAR

Risk Based Approach to Inspections - Ensuring Robust Compliance Monday 21st January 2019 at 7.30pm

Join us for a live webinar where we will talk through our new risk based approach to inspections including why we are introducing this, what it means for you as a producer and why robust compliance is pivotal to the Red Tractor scheme. This is open to all Red Tractor members and industry stakeholders. You need to register to take part at <https://tinyurl.com/y9ldharg>

Missed the webinar on Red Tractor consumer campaign?

You can watch a recording of the webinar which took place earlier this winter explaining how the Red Tractor advertising campaign was devised at <https://youtu.be/0l1YmK-foAM>

Want to know more about Red Tractor?

Watch short on-line presentations <https://assurance.redtractor.org.uk/media/videos> These cover:

- Red Tractor Vision
- What does Red Tractor do?
- Who is Red Tractor?
- Red Tractor Inspections

More webinars will be taking place soon. Follow @RTfarmers on Twitter or check the Red Tractor website to stay in the loop <https://assurance.redtractor.org.uk/>
