Thank you for your registration

We will now process your application and check your details against those registered by your certification body. Once matched we will send you a username and password which will let you access your services.
Providing your correct email address is very important as it will be used as the primary method of contact for all of your AFS Information.

SECURITY CHECKS MEAN IT COULD BE UP TO 48 HOURS BEFORE YOU GET YOUR LOGIN DETAILS

If you receive a message telling you that an account has already been registered, it means you **ALREADY HAVE A USERNAME AND PASSWORD REGISTERED** to your email address. Click on the **FORGOTTEN PASSWORD** link to retrieve your login details.

An account has already been registered for the email address you have provided. If you have access to the email address below please use the [Forgotten Password](#) feature on the Checker and Services login page or use a different email address.
