

CHECKLIST

We hope you find this checklist helpful. It is a quick reference list of what you need to do differently. The list covers only the changes within each standard - it is suggested that you refer to the full standard to ensure you comply fully. Those standards which have been revised to provide additional clarity, but do not require members to take different action, have not been listed below.

Record templates will be available before 1 November on:
www.redtractorassurance.org.uk

DP.5	Have you got a written breeding and management policy in place and implemented focusing on eliminating the routine euthanasia of calves?	Yes	No	N/A
PL.1	Do you know what to cover in your new starter induction?	Yes	No	N/A
PL.5	Do you have a Health and Safety policy in place? Can you demonstrate that you have effectively communicated it to your workers?	Yes	No	N/A
